With 18 intercollegiate sports here at Salisbury State College, our emphasis on participatory athletics is well documented. Equally important, we are fortunate to have not only a highly competent group of educators to motivate and teach our student-athletes but truly outstanding facilities where they are able to train and compete. As such, that segment of the college community possessing outstanding athletic skills and a personal dedication to success on the playing field is able to achieve significant individual and team oriented goals.

While the recognition these talented young men and women receive is justly deserved, the opportunity for all to participate is of overriding interest at Salisbury State, whether it be in intercollegiate athletics or intramural activities.

President, SSC

THE COLLEGE

Founded in 1925, Salisbury State College is a four year multi-purpose liberal arts and professional college with an enrollment of 4,000 full-time undergraduate students representing 18 states and 12 foreign countries. SSC attracts students from throughout Maryland and from all its neighboring states including Delaware, Virginia, Pennsylvania and nearby New Jersey.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, the Master of Science in Nursing and the Master of Business Administration.■

HEAD COACH GERRY DIBARTOLO

Gerry DiBartolo begins his second campaign as head coach this fall after three years as the top assistant coach on the Sea Gull staff.

DiBartolo, 28, traces his soccer roots to his hometown, Baltimore, where he began playing on the Parkville area playgrounds in the fourth grade.

He was a starter at halfback for Archbishop Curley his final two years of high school and cracked the starting lineup at Frostburg State College in his freshman season.

A back his first two years at Frostburg, DiBartolo moved to midfield his final two seasons, captaining the Bobcats in his senior year.

"As a player, I tried to read the game, anticipate four or five moves ahead," recalled DiBartolo of his high school and collegiate playing days. "I was oblivious to everything outside the field during the game."

He brings that same single-mindedness to the sidelines.

"I enjoy seeing things done as they are practiced," said DiBartolo. "I don't like fancy stuff—keep it simple and it will pay off.

"I like to run efficient practices," continued the coach. "Everything should be done with the ball, even running. I don't like players to stand around. You instill competitiveness in players by demanding a 100 percent commitment in practice. Keep impressing on players the importance of working hard."

He also impresses on his players the importance of succeeding in the classroom as well as on the playing field. DiBartolo's first commitment is in the classroom.

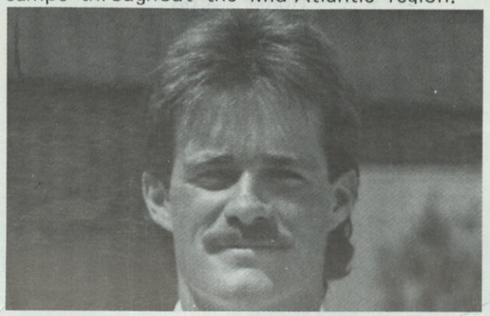
He does extensive soccer camp work in the summers, including a boys' and girls' camp on the SSC campus, is active as a player and serves as commissioner for Baltimore Summer Soccer Association.

An instructor in the College's Department of Business Administration and Economics, DiBartolo completed his master's at Frostburg State and is currently working toward his doctorate.■

CAPTAINS - ASSISTANT COACHES

Paul Zimmerman, an all-state goalkeeper for the Sea Gulls in 1979, was captain of the SSC squad from 1979-81. He is a native of Pasadena, Md. and played schoolboy soccer at Northeast High School in Anne Arundel County.

His outstanding career in the nets for the Gulls earned him a tryout with the Baltimore Blast professional indoor soccer team. He also has extensive experience working in soccer camps throughout the Mid-Atlantic region.



Dan Coleman, a junior from Dulaney High School, is the Gulls' goalkeeper. Strong on hard shots at the goal, he directs the defense and positions himself well to handle shots. A Geography major, Coleman's interests include bicyling, music and camping.

Rick DiCarlo is a native of Baltimore, who played for Maryland State Champion Overlea High School in 1971. He was named to the all-metropolitan and all-Baltimore County teams that year.

He played at Campbell (NC) College from 1972-76, leading his squad in scoring every season. He capped his collegiate career by being named an all-NAIA District 29 performer his senior season.

Henry Farrell, a junior from Glen Burnie High School, is one of the Gulls' most improved players. He should help secure the midfield, his speed working as one of his biggest assets. A Business Administration major, Farrell's interests include music and the outdoors.

Dave Horn, a senior from Elkton High School, is one of the Gulls' most versatile players and possesses excellent ball skills. He has the potential to be the dominant force on the field. A Physical Education major, Horn's interests include bicyling and music.■

1983 SCHEDULE

September	7	Towson State	Away	5:30
	9-10	Virginia Wesleyan Tournament	Away	
	17	UMBC Tournament (Longwood)	Away

W-L TURNAROUND ANTICIPATED

Although his team is coming off a poor year, 4-12 in 1982, second-year Head Coach Gerry DiBartolo has had a good recruiting season and combined with an experienced group of returnees, he feels his Salisbury State College team has the potential to become a respected soccer club.

"If we can get through September with relative success, we should be in good shape for the rest of the season," said DiBartolo.

"Six games on the road in September will be tough on a young team that could possibly be the best in SSC history," he continued.

This year's team will be led by tri-captains David Horn, Dan Coleman and Henry Farrell. These three key players have to provide the steadying influence for all the youth around them. Another important player, Jim Cocchiaro, will also add maturity to the team.

Following are brief profiles of the top returnees.

Coleman, completed his first full season in '82 as starting goalkeeper. He communicates well with teammates and knows how to position himself in the goal.

Horn, back or midfielder, is undoubtedly the most skilled player on the field. He has the potential to be the most dominant player.

Farrell, midfielder. Speed is his biggest asset. A hard worker; very good ball skills. Passes the ball well.

Cocchiaro, midfielder. A defensive-minded midfielder. Probably the most intelligent player on the field. Disciplined marker, knows when to pick the time to come forward offensively.

Al Dorsch and Mike Mooradian, seniors. Both should see plenty of time in midfield. Dorsch has a nice shot from 30 yards out and Mooradian moves to position himself for passes very well.

Returning sophomores are Tom Harvey, Jamie O'Connor, Scott Wulff and Sean McCauley. All four had extensive playing time last year. Wulff and McCauley should see a lot of time as forwards with Harvey and O'Connor in midfield.

Wulff, with good speed, was one of the top Gull scorers a year ago. McCauley is strong on head balls and Harvey and O'Connor show pure determination.

Top new players include David League, freshman back defender, strong on ground and high balls; a disciplined marker.

Eric Tewey, a junior transfer from Catonsville Commmunity College, is fast, aggressive and smart and an outstanding back defender.

Kevin Claunch, freshman forward who showed much potential to score goals in pre-season. Has good field awareness.

John Morrissey, sophomore transfer from Harford Community College. A sweeper back, he reads the game well. Does a good job starting the offense when he wins the ball from his position.

Sean Hull, freshman forward with deceptive speed. Good ball skills; shoots the ball well with both feet.

Paul Mouser, freshman back defender. Comes from the same high school as League. Intelligent player; aggressive marker. Supports the offense well.

Steve Berquist, freshman forward. Has the inate ability to score goals. Can smell the ball and is always around the goal.

Mike Pirkey, freshman midfielder. Good speed, strong on attack, not afraid to shoot the ball.

Success of the team depends not only on its ability but what kind of breaks it gets. Whether the ball bounces SSC's way or the other way.

If the team is successful, it will be a combined team effort of all the players on the team, and not just the stars.

DiBartolo expects to improve on last season's record and be competitive with every team on the schedule.

During the month of October, the Gulls will play seven of their games at home. They should peak by then with the security of home turf.

"The potential is there, we just have to mold the team into a smooth running unit," said DiBartolo.■

SOCCER ENTERS ITS 50TH YEAR AT SSC

It all began in 1934 when SSC was the State Normal School at Salisbury and Coach Benn Maggs fielded the first soccer squad nicknamed the Golden Gulls. Center forward Ardie Winters tallied the first goal ever for Salisbury and the first contest against Berlin School ended in a 1-1 tie. The original 1934 team logged a 3-4-2 record with the first victory ever in the school's history being a 7-1 triumph over the Wicomico Town Team.

The normal school status was dropped in 1935 and the College became the State Teachers College at Salisbury.

Maggs coached his Golden Gulls until 1941 when World War II and a call to the Navy determined his departure. Coach Maggs' top years until that time were in 1936 and 1938. He led the Gulls to a 7-4 ledger in '36 and finished the '38 season, the first in the Maryland Intercollegiate Scocer League, with a 6-4 slate and a fourth place finish in the MISL. The league was comprised of State Teachers College at Towson, State Teachers College at Frostburg, Western Maryland College, Blue Ridge College and the University of Maryland.

Soccer continued in the absense of Coach Maggs during the war. Reverend Robert Frazier coached the team in 1942 with a 2-3-0 record.

In 1943 and 1944, Miss Helen Jamart became head coach and was assisted by a Maryland State trooper named Goldy Tyler. Jamart had a 3-4-2 record during her two year stay.

Benn Maggs returned in 1945 and immediately led his kickers to the only undefeated season ever posted by a Salisbury State team. The Gulls were 7-0-3 in 1945 during a year in which the team tallied 58 goals. Tommy Young set the individual goal scoring and total points records that year as he tallied 28 goals.

In 1947, the State Teachers College at Salisbury reeled off eight straight wins until the University of Maryland snapped the skein and left the Gulls 8-1-0 for the year and with the best winning percentage (.888) a Salisbury team has ever posted.

The first team title was captured by the Gulls in 1949 with a triumph over Towson and a tie with Frostburg giving Salisbury a share of the State Teachers College championship.

STC earned the State Teachers College championship outright in 1950 and scored two more title wins in 1952 and 1953. In their non-title year of 1951, Salisbury trounced Kings College 9-1 to set a record for the most Gull goals in one game.

The glory days for Coach Benn Maggs came in the span of 1966-1973 when he notched eight straight winning seasons with the team now named the Sea Gulls. In the first four years during the streak, Salisbury utilized stellar attackmen Andy Hall and Bruce Hartley, who each had 12 goal seasons.

In 1968, the year Salisbury State College became a liberal arts school, SSC joined the Delaware Valley Conference and went on to win the loop championship in 1968, 1969 and 1971.

The 1971 title holders had a freshman forward by the name of Harry Winters who scored 11 goals to start the top scoring career in SSC history. In 1972, Winters had 17 goals and one assist and during that season tallied five goals in a 6-0 victory over Eastern College to set single game point and goal records.

Winters concluded the 1974 season with 11 goals and one assist following a 1973 output of 15 goals, two assists. The talented SSC booter ended his SSC four year career with 54 goals and 59 points—both still SSC records.

Coach Maggs' winning string ended with a 6-6-2 break-even record in 1974 and concluded with a 3-10-1 season in 1975. The College affiliated with the Mason-Dixon Conference in 1974.

ATHLETICS AT SSC

Benn Maggs won his 100th collegiate soccer contest in 1964 and in 1975 ended his home career on top of a 6-0 win over St. Mary's College which marked his 166th career victory. Coach Maggs was head mentor for the SSC booters for 40 years and compiled a .562 winning percentage. He was honored in 1977 when Salisbury State College named its new Benn Maggs Physical Activities Center after him.

In 1976, Keith Conners became head coach of the SSC soccer team. That year also marked the final season in the Mason-Dixon Conference. SSC went 1-13-1 in 1976, but improved the following season to 3-12. Coach Conners and the Sea Gulls turned the season around in 1978 by going 8-7-2 and concluding their season with the Newport News Tournament title.

Led by sophomore goalkeeper Paul Zimmerman's school record five shutouts, the Gulls equaled their season record of nine victories, finishing the 1979 campaign with a 9-8 ledger. Zimmerman, senior Vane Wiggins (7 goals) and sophomore sweeper Sandor Fodor, were all first-team selections on the Maryland Division II-III All-State squad, and junior Nick Chamberlain, a back, earned second team recognition.

The Gulls entered the 1980 Maryland Small College Tournament with a disappointing 6-9-2 regular season and a first round match with Frostburg State, a team which breezed past SSC 3-0 earlier in the year. But Dean Wampler converted a pass from Behzad Rasollee into the game's only goal and Jeff Corun rejected eight shots for a 1-0 upset win over the Bobcats which propelled the Gulls into the finals against Western Maryland. Corun and the Gull defense once again were impenetrable and Tim Gribbin's penalty kick midway in the first half stood up for 1-0 win and the state title.

Vane Wiggins

Paced by the Gulls' first all-American selection, Sandor Fodor, the Gulls recorded a solid 8-6-2 record in 1981. Two other Gulls received post-season recognition, forward Jeff Thompson, and back Mark Smith, both third team All-South Division III selections.

The loss of those three seniors was evident last season, as first year Coach Gerry DiBartolo's young squad finished 4-12, five of those losses by a single goal. But with most of the team returning and the influx of several promising freshmen and transfers, a return to a winning campaign in 1983 is likely. ■
